# STUDENT EXPECTATIONS

## PROGRAM EXPECTATIONS

2. Progress in courses - 35% progress in class each week / 7% per day (5 days) to keep on track to finish a course in 3 weeks

- Supports will be put in place if you are having difficulty reaching your progress goal. Engaging in supports is for your benefit.
- Supports are not limited to, but may include, increased:
  - Login Rate
  - Communication
  - Time on Task
  - Center Attendance

## TRUANCY POLICY

Center staff meet every week to evaluate whether or not a student qualifies as truant. The following criteria may be used to determine truancy:

- The student does not contact their teacher during a week or more
- The student is not completing required coursework at an appropriate level (attendance measurement)
- The student does not fulfill the requirements of a Learning Contract

If the student is deemed truant because of any one of the above criteria, the truancy process begins.
